with green

Defect Issue: This product recall addresses a problem with the power supply and 3S Li-Po DC balance charger included in the Super Cub S RTF and BNF. There is a possibility that the power supply and charger could cause damage to products or start fires, which could result in injury. The affected power supplies and chargers are found exclusively in the HobbyZone Super Cub S RTF (HBZ8100) and BNF (HBZ8180) aircraft. Only power supplies and chargers without a green circular label are subject to this recall.

What To Do: Discontinue use of the power supply and charger immediately. Follow the steps below to identify and return the product to Horizon Hobby for a replacement charger.

Corrective Action

1) Check the power supply, and charger for your aircraft. If a green circular label does not appear on the power supply or charger (see example below), the power supply and charger must be returned to Horizon Hobby.

Labeled Charger-
Do not return this

2) Attach masking tape or paper to the power supply and charger with the words “DO NOT USE” clearly labeled.

3) Complete the Return Request form by [clicking here \[Document attached below main article\]](#) or pasting the link http://www.hobbyzonerc.com/ProdInfo/Files/HBZ_Charger_Recall_0814.pdf into your browser. Click on the Submit button on the form, or email a copy of the form to HHPS@horizonhobby.com.

4) Upon processing of the completed form, a prepaid shipping label will be sent to you via email. If no email address is provided on the Return Request form, the shipping label will be mailed to you. Return your power supply and charger, along with a printed copy of the completed Return Request form. Upon receipt of the product, Horizon Hobby will mail you a replacement charger. Please allow 14–21 days for processing and delivery.

We apologize for this inconvenience. Horizon disclaims all liability and warranties for any consumer failing to act upon this product recall.
